Compassion and Sustainable Development

WHO WE ARE

The Association for Charity, Instruction, Education and Social Welfare (ACIES) is a registered non-profit humanitarian organization based in Lomé, Republic of Togo.

Founded in 2022 and officially registered in 2023, ACIES is committed to improving the lives of vulnerable children and disadvantaged communities through education, humanitarian assistance and sustainable development.

Working closely with local communities and volunteers, we implement practical and impactful initiatives that promote dignity, self-reliance and equal opportunities for all.

OUR VISION

To build resilient communities where every child has access to education, hope and opportunities for a better future.

OUR MISSION

- Promote quality education for vulnerable children.
- Support orphans and disadvantaged families.
- Improve literacy and educational opportunities.
- Provide humanitarian assistance during emergencies.
- Promote access to clean water and sanitation.
- Encourage sustainable community development.

OUR HUMANITARIAN IMPACT (2024–2025)

OUR HUMANITARIAN IMPACT (2024–2025)

Community water project
Tchikawa – May 2024

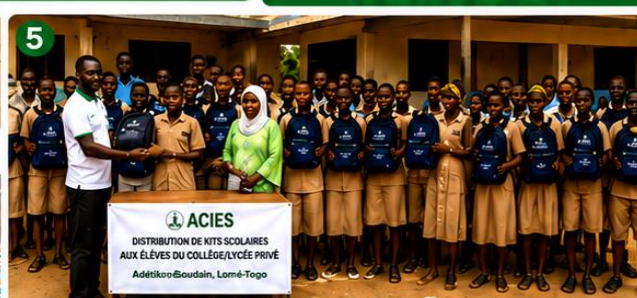

Girls' education awareness campaign
Asséré – August 2024

Community training on income-generating activities
Lassa-Bas – December 2024

Preparation of school kits
Tchalo Public Primary School – September 2025

Distribution of school kits
100 students of Adétikopé Junior Secondary School
September 2025

OUR ACHIEVEMENTS

During the last two years, ACIES has successfully implemented humanitarian and educational initiatives including:

- ✓ Community water project preparation.
- ✓ Girls' education awareness campaigns.
- ✓ Community training on income-generating activities.
- ✓ Preparation and distribution of school kits.
- ✓ Educational assistance for vulnerable pupils.
- ✓ Emergency relief for vulnerable households.

These interventions have positively impacted vulnerable children, families and communities while strengthening local resilience and promoting sustainable development.

WHY PARTNER WITH ACIES?

- ✓ Strong grassroots presence.
- ✓ Transparent financial management.
- ✓ Direct implementation capacity.
- ✓ Dedicated volunteer network.
- ✓ Regular narrative and financial reporting.
- ✓ Responsible use of donor resources.
- ✓ Commitment to accountability and long-term partnerships.

REPORTING COMMITMENT

For every supported project, ACIES provides:

- ✓ Narrative Reports
- ✓ Financial Reports
- ✓ Activity Photographs
- ✓ Beneficiary Statistics
- ✓ Monitoring & Evaluation Reports
- ✓ Donor Visibility and Acknowledgement

Transparency and accountability remain at the heart of every partnership we build.

PARTNERSHIP INVITATION

We welcome collaboration with humanitarian organizations, charitable foundations and development partners committed to improving education and community well-being.

Together, we can create lasting opportunities for vulnerable children and families in Togo.
